MOOD:  blissful

That's how I got  [cvillette](https://cvillette.livejournal.com/) (https://cvillette.livejournal.com/)'s attention out at the park today. One girl on a string (okay, really, a rope) and another e-mailing on the phone. Playah.

(Oooh, hey, maybe if I insist on confiscating the Adorable Overhyped Phone when we climb, he'll forget to ask for it back...  
\*g\*)

But I forgive him everything. Everything! If I could blog the smell of dinner, my friendslist would understand.

## Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

## ...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

She's offering food! Barbecue! In Texas!

You would blabber too.

I've been envying you that. Good barbecue is something to hunt down and treasure. My favorite place (Armadillo) out in Woodinville has either moved or is gone. \*sniffle\*

Barbecue = evanescence. Either they go out of business or they lose the ~~hickory-smoke~~ fire in the belly.

Uh. Not always.

You can come too, if you want.

::girl on phone waves unrepentantly::

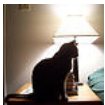

To quote myself, when he said he had to go: "Do not meddle in the affairs of strong women, for we are unsubtle and quick to trash your toys."

Heee. We would not hurt the little toys. No, no. We would give them candy and lure them into our car. \*g\*

Chicken and dumplings! With milk gravy! Hidden in that climbbrboi is the soul of a Southern grandmother.

And it's rainy and cool now, which makes food like this extra-extra-perfect.

And Wabbit says we've got baked apples for dessert. Blisssssss...

\*drool\*

I love love love baked apples. It's too hot today to do any real cooking, but it's supposed to go back to normal weather tomorrow, and I've got Plans(TM). More lemon/ginger shortbread, some non-shoggoth bread...

Southern grandmother or honorary lesbian, which is it?

...well, I guess they're not exclusive.

The Tevas would tend to argue towards lesbian. The milk gravy, on the other hand...

That sounds particularly fine. With a tall glass of sweet tea.

Right now I am sitting here in the PNW heat wave\* so the nice teriyaki plate from the new little Hawaiian joint down the street, complete with the cold macaroni salad, is especially soothing. And after theater tonight I shall go have a frosty micro-brewed adult beverage yay!

\*Srsly. 91F in May? What is up with that? Ah, well, the forecast high for Tuesday is 65F, which is more like it for this time of year.
